

Sanrio Love Letter Quiz

A chaos + cuteness test for long-distance couples who are opposite but in love.

Answer the questions individually, then compare your results to find out your Sanrio couple pairing and love letter style!

What is your name? (Write below)

Love Letter Questions

1. How would your love letter begin?

- Hi, its me again. Still obsessed with you.
- So I wasn't going to write this but then I thought of your stupid face.
- To the warmest part of my day, even from miles away...
- You up? Because Im about to get emotional.
- Dear love, if this makes you cry, its your fault.

2. What kind of sentence would 100% be in your letter?

- I still cant believe you chose me.
- Even when were apart, I feel you in everything.
- Reminder: Youre cute. I win.
- You're my calm in chaos, my hoodie in winter.
- I miss you so much it makes me stupid.

3. What would you attach to your letter?

- A selfie holding their hoodie
 - A handwritten poem and pressed flower
 - A page of dumb doodles you made while missing them
 - A Spotify playlist of your moods
 - A coupon for 1 forehead kiss (redeemable IRL)
4. What tone does your love letter naturally take?
- Soft and poetic, like a Cinnamoroll cloud
 - Teasing but sincere, like a Kuromi roast
 - Straight-up emotional My Melody crying emoji
 - Chaotic mix of sweet + funny
 - Casual but deep: Gudetama with a heart
5. You're writing this letter at 2 AM. What's the final line?
- I love you more than sleep, and that's saying a lot.
 - Don't read this and ghost me text me back, idiot.
 - You're my peace, my favorite hoodie, my home.
 - I hope this letter makes you feel held.
 - P.S. I'm sorry if I cried while writing this.
